**A Love So Strong** from sacredise.com.

We thank You, God, for a love so strong,

That You would fashion a universe,  
place within it a world,  
and give life to creatures,  
so that You could have someone to love.

That You would confront the worst that people can do  
and conquer without drawing any blood but Your own.

That You would breathe Your Spirit into what You made,  
allowing human hands to share  
in building your life and purpose in the world.

That You would live in that which You created,  
and inspire love for You in our hearts,  
so that when we take the time to look  
we would find you in each other  
and share the love we have found in You.

**Amen.**

## **BOOK - A WORLD OF THREE ZEROES**

Recently, Bronwyn Bryceson spoke to the morning congregation about successful social business projects in poor countries. The information came from 'A World of Three Zeroes' by Muhammad Yunus. The book is available for loan from Bronwyn (4228 6336).

**#WeCanDoBetter** – UCA Social Justice Forum has created a useful guide to discussing refugees and people seeking asylum with MPs. There are 3 key issues:

- a fairer process for those seeking asylum
- permanent rather than temporary protection
- a larger, and more responsive humanitarian refugee program
