Sharing life's journey with faith, hope and love in Christ.

"This is what the Lord says—Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland. The wild animals honour me, the jackals and the owls, because I provide water in the wilderness and streams in the wasteland, to give drink to my people, my chosen, the people I formed for myself that they may proclaim my praise."

Isaiah 43:16a,18-21

Collaborative Leadership Group - Illawarra Presbytery

The Collaborative Leadership Group concept was born out of the desire to create, strengthen and maintain relationships between the Uniting Church and Uniting Services within a community. This is an opportunity for different business streams of Uniting and Congregation members of the Uniting Church to share what they do in their spaces, and see what ideas may take us forward in other areas to assist the work we do.

This meeting is purely relational in nature, and I have found past participants value CLGs because it's a space in which we can talk about things that matter to our communities, but at the same time understand what is happening around us from those who are participating.

Dates	Time	Location
16 th Apr	10:30am- 12:30pm	Corrimal UC
13 th Jun	10am - 12pm	Keiraview UC
24 th Oct	11am- 1pm	Berry UC

There are three dates this year set for the Illawarra Presbytery and I would love if you could make at least one or two of these meetings this year.

Rev. Mel Pouvalu

Thank you to all who were able to assist at the Church over the last few days getting the place ready for our return. It is all looking **FANTASTIC**.

What do you think about a new time for our morning services??

It has been suggested that when we move back into our Fisher Street home we change our morning service time to 9:30 am. The service time of 9:15 am was originally chosen when there were two morning services at Keiraview. This has not been the case for sometime. Moving back into our wonderful new hall and refurbished church is a time for new beginnings for our congregation and it seems like a good time to change our morning service time to 9:30.

The Church Council is tasked with making the final decision on this suggestion but we would like to hear what you think.

Over the next 2 weeks there will be a sheet placed on the table at the morning service for you to nominate your preferred service time. You are also welcome to let any of the Church Councillors know what you think about this idea.
