Sharing life's journey with faith, hope and love in Christ.

"He who was seated on the throne said, "I am making everything new!" Then he said, "Write this down, for these words are trustworthy and true." He said to me: "It is done. I am the Alpha and the Omega, the Beginning and the End. To the thirsty I will give water without cost from the spring of the water of life."

JOY INTERRUPTED

A memoir of depression and prayer

A new book authored by Uniting Church minister, Geoffrey Lilburne. Most of us have some personal connection with depression within our family, friends or work communities. For some of us is a lifetime challenge. Geoffrey Lilburne – theologian, poet and retired academic – has released a memoir exploring his own history of recurrent depression in the piercing light of questions about God in the midst.

Saturday 25th May

This is a unique opportunity for Australians to celebrate and give thanks for our God given heritage as a nation, and to demonstrate the values of honour, respect, thankfulness and gratitude towards our fellow man.

It is a day for Australians to pause as a nation and say *Thank You* to God, and to each other for those many things we often take for granted, those things that really make our lives worth living. More details at www.austhanks.org.au
