“Does not wisdom call, and does not understanding raise her voice? On the heights, beside the way, at the crossroads she takes her stand; beside the gates in front of the town, at the entrance of the portals she cries out: ‘To you, O people, I call, and my cry is to all that live. The LORD created me at the beginning of his work, the first of his acts of long ago.’”

Proverbs 8:1-4,22

Half-a-Million-Steps

In October 2018, as part of the Fair Treatment campaign, 100 supporters walked the 500,000 steps from Dubbo to Sydney to highlight the distance a person in regional NSW may have to travel to reach the drug treatment they need.

This Long Walk to Treatment has been made into a powerful documentary, Half a Million Steps, highlighting the personal stories behind the movement for a reform on drugs and the fair treatment of all people.

Join us for an exclusive release screening of Half a Million Steps and show your support for drug law reform in Australia.
