Sharing life's journey with faith, hope and love in Christ.

21st July 2019
6th Sunday after
Pentecost

2pm Service of Dedication
and Thanksgiving

34 Fisher St., West
Wollongong

“Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful. Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him”

Colossians 3: 15-17

Give Thanks for all those who are tired and who have laboured heavily in the renovation of the church facilities

A prayer in response to God's Word:

Almighty creator, O' Ancient of Days

Since the very beginning, you have been working out your plan for the benefit of all the Universe;

Help us to utilise the graces and gifts you have bestowed unto us that we may live in the light, and ever glorify You.

Amen.

Synod Reflections

Synod this year was a rich experience of being the church. In the church, we are young and old, and at every point in between. In the church, we are black, brown, and white; we have round eyes and almond eyes, curly black hair and shiny bald pates, flowing blonde hair and cropped short hair.

During Synod, we learnt and rejoiced. There were evening events outside the 'business sessions' during Synod: the screening of the powerful documentary 'Half a Million Steps'; and a Saturday night festive Revivify Worship Event with music from various cultures and a keynote address from Jon Owen.

Safe Church Awareness Workshops

You are invited to register for the Safe Church Workshop on the 17th August 2019 at Keiraview.

<http://bit.ly/2YbnIEZ>

This is a full day course and it is important for everyone who is involved in leadership or a volunteer role in the church to attend. This course helps us to be a church family that understands and ensures the safety of others who enter our church for various events.

It covers areas from property management, contact with others and protection of vulnerable people. It will also help you to understand why the Church Council is working hard to ensure policies, procedures and risk management forms are up to date and prepared for people to sign.
