"Give thanks to the Lord, for he is good; his love endures forever. Some wandered in desert wastelands, finding no way to a city where they could settle. They were hungry and thirsty, and their lives ebbed away. Then they cried out to the Lord in their trouble, and he delivered them from their distress. He led them by a straight way to a city where they could settle. Let them give thanks to the Lord for his unfailing love and his wonderful deeds for mankind, for he satisfies the thirsty and fills the hungry with good things."

Psalm 107:1,4-9

For Jenny and the Principal of WWPS as they meet vulnerable families in our community and offer support through Eden Playtime.

For the Presbytery Education Team as they seek to deepen our understandings of God in this world.

A prayer in response to God's Word:

Loving God,

The world teaches us that stuff gives happiness,

Yet you show us that true fulfillment comes through community.

Help us to avoid storing up our gifts and wealth in barns, and instead show us where we can use our gifts in the service of the Kingdom.

Amen

Safe Church Awareness Workshops

You are invited to register for the Safe Church Workshop on the 17th August 2019 at Keiraview.

<http://bit.ly/2YbnIEZ>

This is a full day course and it **is important for everyone who is involved in leadership or a volunteer role in the church to attend.** This course helps us to be a church family that understands and ensures the safety of others who enter our church for various events.

It covers areas from property management, contact with others and protection of vulnerable people. It will also help you to understand why the Church Council is working hard to ensure policies, procedures and risk management forms are up to date and prepared for people to sign.
