

# Eden Playtime - Conditions of Entry – 16 November 2021

## Please join us if...

- You are not sick;
- You will practise good hygiene;
- You will follow social distancing rules;
- You will stay outside most of the time;
- You will give us contact details.

1. Because we want to keep everyone safe, we ask that you please stay at home if you have any COVID-19 symptoms (including mild symptoms). This is a very important basis for our plan to keep everyone safe and will also apply to helpers. We will ask you to confirm this when you come.
2. Everyone needs to register attendance – preferably with the QR code provided. This will include: name, contact number and entry time.
3. We all need to follow the over-riding social distancing practice of 1.5m between people (excluding those from your household).
4. To reduce the risk of spreading germs, hand sanitizer, soap & water will be provided for use on arrival and on entering the playground.
5. If you can, we recommend you have the COVIDSafe app installed and active.
6. At 8 November 2021, based on the 2 square metre rule, there is a limit of 70 people allowed in the Playground area, 40 people allowed in the Covered Walkway area, 52 people allowed in the Foyer area and 118 people allowed in the Hall.
7. We will aim to stay outside where masks are not required. When inside masks must be worn by adults (over the age of 12).
